ALL ABOUT *Karina*

My Typical Day: My day starts approximately at 7 AM. As always then I have my morning routine. I decide what will I wear for this day, then I eat, drink coffee, etc. I leave the house at 8:30 AM. My classes starts at 9 AM till 5 PM. Some day I have extra classes (English). Before then, I'm doing my homework. English starts at 7 PM till 9 PM. At 9:30 PM I come home. Do my night routine and go to bed.

Introduction: Hello, my future family. I'm Karina, I'm 15 years old. I live in Kiev, Ukraine with my dad, stepmom and 2 little stepbrothers. I also have a older brother who lives in Canada.

I wanted to study abroad for the last 2 years. I am a go-getter and achieves everything I want. This was no exception. I always loved trying new things and getting out of my confort zone.

Also, as a typical teenager, I had a hobby - dance. But now I quit this wonderful sport (because of the school), I hope I'll restore classes. When I was a child I was swimming, I had a lot of rewards my coach and family were hoping for my sporty future, by I quit it. I was burned out by a desire to swim day in a day out. Now I just workout at the gym.

I like to read books (novels). But most of all, I like to eat. I'm not a vegetarian, I adore meat and everything related to him.

In the future, I want to become a businesswoman. I want to have my hotel or a restaurant.

To be honest, I'm so excited to live in your country. See you soon!
