### ALL ABOUT *Lucia*

**My Typical Day:** My normal day starts around 7.30, I tidy my room and then go to high school. I finish around 3.00 pm. I eat lunch with my mother and my brother and do all my homeworks. I listen to music while I go for a walk. I used to go swimming but now I can not due to the Covid situation. And around 8.30 pm I wait for my father to come home from work to have dinner with him.

**Introduction:** Hi! My name is Lucia, I am 15 years old. My family and I are very close, we do a lot of things together: hiking, travel, play sports and watch TV shows. In my exchange year, I would like to have a small family with a children of my age (boy or a girl)

I enjoy watching movies and TV shows. One of my favourite TV shows is New Girl, I have watched it many times. I enjoy all movie genres, but the ones that I usually watch are sci-fi, action and comedy. Some of my favourite movies are Interstellar, Avengers: Infinity War, Blade Runner 2049 and The Maze Runner. I love listening to music. I can listen from rock to classical music, depending on my mood.

ne of my favorite hobbies is traveling. My family and I love it. We used to go on a trips once or twice a year, somewhere we have never been. My favourite part of traveling is that you get to know a lot of different places, people and culture. I have been in Croatia, Norway, England, France, Portugal, Italy and Turkey.

Sports have always been a big part of your life. Since I was little I have known how to swim. Then I started to do athletics, but I have only competed for about five years.

Going on exchange has always been my dream, I am really looking forward to meet you all and have an incredible time together!
