**ALL ABOUT *Julius Henry***

Introduction: Dear Host family,

My name is Julius Henry, and I am 16 years old. I live with my parents and my two younger brothers (13) and (10) and with our two rabbits in a city located in northern Germany. I am in 10th grade of the Gymnasium which is a private school. Most of the time I go there by bike, which is a half hour ride each way.

In my spare time I like to play tennis, go skateboarding, cycling and swimming and recently I started to play the guitar. I also like cutting and editing videos and taking photos. I am very interested in social sciences like history, politics and geography. In my holidays we often go skiing and hiking in the Alps. For quite some time I have been singing in the school choir and participated the drama class. Of course I also like meeting my friends.

I would like to spend a High school year in the United States of America to learn more about your country, the people and to improve my English speaking skills. In fact I have always wanted to spend time in America especially because my parents often told me how great their exchange year was.

We also have relatives in the US, who are living on the East Coast in the New York City area. I hope I will be able to visit them while I am in the country.

I look forward to meeting you.  
Julius
