ALL ABOUT *Camilla*

Introduction: Dear host family,

I'm Camilla and I'm 16 years old. I live in with my family, which is composed by my mum, Cristina, my dad, Bruno, and my brothers, Mirko and Oliviero, both older than me.

I don't have any pet, but I've always wanted to have a dog. I am afraid of large dogs, but not of small and affectionate ones.

My greatest passion is dance. I practice it since I was 6 years old. When I was little I did modern dance, then I started doing reggaeton, a choice that led me to find my favorite dance style and the best way to vent and distract myself after a heavy day. I've always danced in a group, never single, and that made me grow and learn to relate with other people....

In the morning I wake up around 7:30 a.m. to get ready and go to school. When I arrive I talk to my classmates and then we go into class to start doing the lessons. After school I go home, eat, relax a little on the couch and then start studying. Sometimes, if I have little to study and finish early, I go out with my friends. In the evening I die with my parents, we talk together about the day and then I go to my bedroom to call my boyfriend or I go to my neighbor, who is my age, to talk a little with her. During my free time, if I don't go out and I don't have to study, I get on the bed to watch a film or listen to music

I hope I made a good impression with this letter. I can't wait to start this new experience with you.

Kind regards

Camilla
